

Triumph Owners M.C.C.

Northants Branch

Well, here we go again. My diary for this year is full of cancelled or postponed events. Out of the six major events we had planned to go to this year as a branch only two are possibly still on: Founders Day on Sunday July 18th and the MCN show over the weekend of 4th-5th September. After talking to Steve Rattley, we have decided to postpone our Triumph day until 2022. It is un-sure whether Jack's Hill café will be fully open, and so there is very little time to promote the event.

I also hear that the Trifest in France has been cancelled again, which will be disappointing for all the Northants people who intended to go. I guess that will solve the problem of manning a stand at the MCN show on the same weekend.

Pubs could be open on May 17th with restrictions: meeting outside only. Any member who feels safe to turn out is welcome to do so, but we will be calling anything an official club night just yet. As several members have said, I think we should concentrate on ride outs as soon as we can get out on our bikes and then see how the year pan's out.

Keep safe

Phil Barton
Northants Branch Chairman.

Triumph Owners National AGM

The Triumph Owners National AGM has been put back a few weeks. It should have been on 6th June but will now be on Sunday 18th July, still at the same venue: The Royal Victoria Hotel, Llanberis, North Wales.

That's the same date as Founders Day. Which one you attend will depend on whether you want a short trip up the road to Stanford Hall or a long day out in Wales and the spectacular Llanberis Pass.

Covid Riding Guidelines

The National Motorcyclists Council (a loose federation of various motorcycling organisations in the UK) has published some updated guidelines about what you can and can't do during the latest steps out of lockdown. The guidelines can be found here...

Welcome all Triumph Riders

Skegfest Since 2017

Friday 8th to Monday 11th October 2021

Skegfest 2021

Skegfest was one of the few events to actually go ahead in 2020 and it's back for 2021.

In recent years we have been the most represented branch. This year we will also judge the bike show and provide the trophy awards.

Several of our branch members have already booked, so don't delay if you want to join them.

For Bookings phone 01754 762097 and mention 'Skegfest' to get your

10% Discount

Early booking discount of £15 applies before 5th March 2021
